New York, New York 10278

Attention: G.M. Foundry Project Coordinator

In accordance with Item 26, Paragraph A., Page 10 of Administrative Order, Index No. II, CERCLA-50201 "Respondent's Facility Coordinator", General Motors offers the following:

Mr. David P. Fayette has been selected as General Motors designated Facility Coordinator for the Massena Site Project and will be responsible for the implementation of the above-mentioned order.

Mr. Fayette is presently a Senior Plant Engineer with responsibilities for coordinating all environmental activities at the Massena facility. Mr. Fayette is a native of Massena, New York and his experience includes nine years (1955-1964) with Lewis-Dickerson Associates Consulting Engineers, and performed the original mapping and land acquisition surveys for the General Motors Massena Plant property. From 1964 to present, Mr. Fayette has held various positions in the Plant Engineering and Maintenance Departments of the Massena facility with responsibilities including oversight of wastewater treatment, waste disposal, design and installation of equipment and facilities, etc. Mr. Fayette has "First Hand" knowledge of the entire site including the disposal areas as well as all engineering studies conducted to date relating to the Massena facility. Mr. Fayette's address is:

GMM 006 0683 R
